DAHLIAS AND GLADIOLUS FOR 1939

GUARANTEE. All dahlias and gladiolus are guaranteed healthy and true to name to the extent of replacement, or a refund of the amount we receive.

Our best recommendation is probably the fact that, year after year, a number of our customers call at the gardens, make their selections from varieties growing in the field, pay for them and have shipment made at planting time for their locality.

Each variety is correctly labeled. Cultural directions enclosed with each shipment. In cold weather all packages are heavily insulated against freezing. Gladiolus will be shipped about April 15th, dahlias about May 1st, unless requested otherwise. Please give shipping date.

Prices quoted are postpaid. Remittance should accompany order unless shipment is to be C. O. D. Stamps accepted to \$1. Our Post office and express address is Mays Landing, N. J. Gardens located on south side Mays Landing-Somers Point Road at Sculville. Early orders will earn the most and better extras. For prices on larger quantities, please submit your want list for quotation.
